

### Where are my buttons/icons?

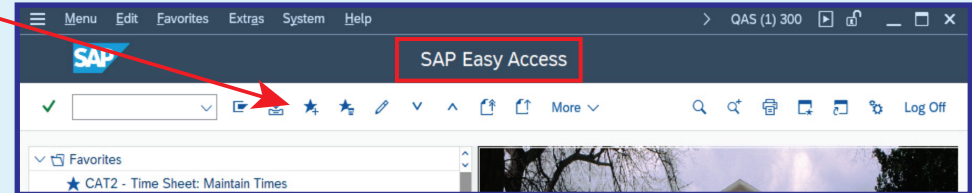

♦ The icons/buttons moved from above the SAP Easy Access line to below

♦ You can still hover over the button/icon with your mouse to see what it does

Main Menu - Old Signature Theme

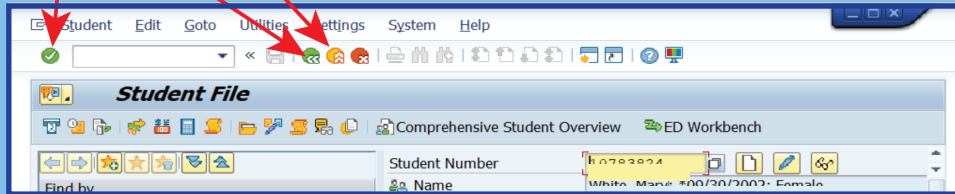

Main Menu - New Quartz Theme

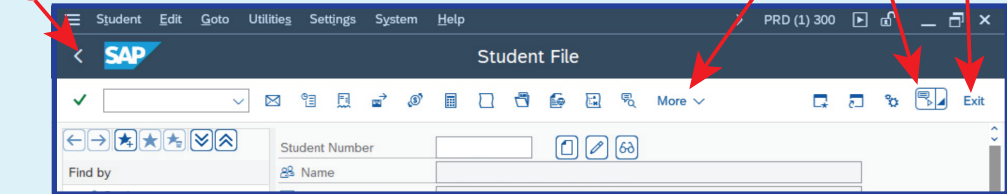

### What are the biggest moves?

- ① The Back Button
- ② The Exit Button
- ⑤ Cancel Button
- ③ Services for Object (Docuflow)
- ④ NEW "More" Drop down
- ⑥ Execute Button

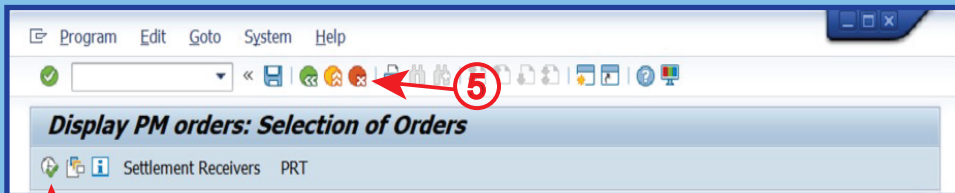

Old Student File - \*PIQST00 screen

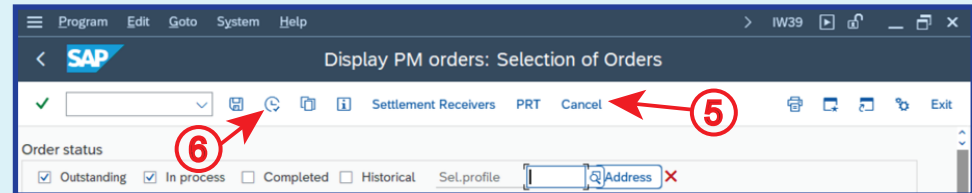

New Student File - \*PIQST00 screen

Old Display PM Orders File - \*IW39 screen

New Display PM Orders File - \*IW39 screen

### What if I just cannot live with the new theme?

Older themes will likely be retired as new versions of the GUI are released, so please try the new theme!  
Otherwise, you may click [here](#) to reset your theme.
